[ELECTRIC VEHICLE]

GRAND

PRIX

DC's only
student-based
battery-powered
electric vehicle
competition

May 16, 2015 - 10am to 4pm
Robert F. Kennedy Stadium
- Lot 6&7 -
Stadium/Armory Metro
(Blue/Orange line)

The District Department of the Environment and Global Education Energy and Environment invite you to come cheer on local high schoolers as they compete against one another in the **2015 DC EV Grand Prix**.

This hands-on educational program teaches students to apply engineering, science, mathematical principles, and strategy as they construct and race their battery-powered electric cars.
