

LexisNexis® File & Serve Welcome Kit

Step 1. Registration

If this is your firm's first use of LexisNexis File & Serve, you will need to create a LNFS account before registering. The firm must designate an administrator who will create the account and add users. The administrator will follow the Instructions for New Subscribers in Section A.

If your firm has a LexisNexis File & Serve account, contact your firm's administrator to obtain a user name & password for yourself and anyone else who will need to serve or access documents in the case. The administrator will follow the Instructions for Existing Subscribers in Section B.
